As per the Pronic and historical references, this temple was built before 7 th Century, wherein Lord Saturn has titled "Lord Saneeswara" by Lord Siva and enshrined in a separate Sannathi in 'Abhaya Hastham' Posture, for those who pray in this temple to get relief from the mellacious effects in their life. It should also, be noted that only in Thirunallar Temple Saturn is honoured with five Abishegam daily.

During Festival, arrangements for special buses are being done for devotees. Elaborate arrangements are being undertaken to meet out the essentials for devotees such as food, water and shelters.
